PROFESSIONAL SUMMARY

Final-year Information Security student and SOC & GRC Specialist skilled in incident response, threat hunting, risk management, and compliance (NCA ECC, ISO 27001). Head of the Cybersecurity Club (CSC) at the University of Ha'il, leading workshops, awareness campaigns, and technical initiatives. Certified in eCIRv2, eCTHPv3, eEDA, eCDFP, and GRCP®, combining governance expertise with hands-on security operations. Known for curiosity, collaboration, and delivering impact through innovative cybersecurity solutions.

EXPERIENCE & LEADERSHIP

Co-op Training (GRC Focus) | General Directorate of Cybersecurity – Hail Municipality | Jun 2025 – Jan 2026

- Developed a Cyber Risk Management Portal (CRMP) to automate NCA ECC compliance.
- Performed risk assessments, managed risk registers, and conducted vulnerability scans via Nessus.

Cybersecurity Club (CSC) | University of Ha'il | Nov 2024 – Present

President | Aug 2025 – Present

- Strategic Partnership: Secured an exclusive 80% discount with INE (\$350 vs. \$1,200+ value) for 95+ members.
- Leadership: Managing club operations and a 10-episode technical cybersecurity series.

CyberWings Member | Nov 2024 – Aug 2025

- Participated in penetration testing simulations and defensive security exercises.

KEY PROJECTS

- DNS Spoofing: Simulated ARP spoofing to redirect DNS requests in a lab environment.
- Static Malware Analysis: Classified APK files using Python & ML.
- Cybersecurity Awareness: Conducted sessions on phishing, ransomware, and social engineering for 100+ students.
- Social Engineering Awareness: Campus-wide project for University leadership.
- AI in Cybersecurity: Workshop on AI-driven threat detection & digital defense.
- Graduation Project: Spam Detection System using BoW, TF-IDF, LSTM; achieved 98.47% accuracy.
- CRMP: Automated portal for tracking cybersecurity risks with dashboards and real-time updates.

EDUCATION

B.Sc. Information Security | University of Ha'il | 2021 – May 2026 (Expected)

- GPA: 3.59 / 4.00

SKILLS & CERTIFICATIONS

GRC & Standards: NCA ECC, ISO 27001, NIST RMF, Audit Reporting, SAMA Compliance

SOC & Security Ops: Risk Assessment, Incident Response, Threat Hunting, Digital Forensics, SIEM (Splunk/ELK), Vulnerability Management, Cyber Risk Dashboards & Reporting

Offensive & Programming: Kali Linux, Burp Suite, Python (Automation/ML), SQL, HTML/CSS

Certifications: GRCP® | ITGRC® | GRCA® | IRMP® | SC-900 | eCDFP | eCIRv2 | eCTHPv3 | eEDA | eJPTv2 | Security+ (Expected Apr 2026)
